1. INTRODUCTION

Jetwing Vil Uyana is a true lifestyle hotel that embodies the ultimate in eco friendly luxury. Inspired by the local, rural traditions, the buildings blends into the landscape. The challenge of introducing a wetland system on reclaimed agricultural lands provides the unique backdrop for this exciting property. A strong 'back to nature' theme pervades your every moment at Jetwing Vil Uyana and the uniqueness of the experience is unforgettable.

2. LOCATION:

Jetwing Vil Uyana is located within 5 kilometers from the historically significant site of Sigiriya - considered to be the 8th Wonder of the World. The hotel is about 169 km from Colombo (a 4 hr drive) or 153 km from the Colombo International Airport (a 4 hour drive).

3. SERVICES

Rooms

The hotel is possibly the first in the world to construct a wetland system with lakes and reed beds to form a private nature reserve, allowing rooms to be built over water. The property is surrounded by parklands and woodlands. The hotel's rooms have been placed within the paddy fields, thereby giving the guest a unique opportunity of participating in both farming and harvesting.
